Ministry Partner Update - Summer 2024

Jocelyn Robinson with Power to Change

Dear North Broadway Baptist,

For the second year in a row, I found myself spending the nearly whole summer in Asia. I love being overseas! Over the many years of Covid-induced non-travel I had forgotten how life-giving it was for me.

I spent all of May and some of June leading a team on our Vietnam mission trip. I've got some stories for you below. (I'll be sharing more about my time in Japan soon/next update!)

Over the span of our trip, our team connected with over 200 Vietnamese students, and had appointments with 80+ of them. During these appointments, our students were able to initiate spiritual conversations with 70+ of these friends (some multiple times). We invited 20 of these students to follow Jesus after sharing the gospel. We connected all these students with the Vietnamese Christians so they could follow up and continue to journey with them.

The WHOLE mission trip team celebrating all the birthdays!

- **Leaders:** Holy Spirit empowerment and direction for our new leaders
- **Fall Launch:** that we could welcome many new international students and connect them with our community; to be well prepared and have sufficient volunteers
- **Multiplication:** that we would see new commitments to faith, new believers established, and maturing believers equipped to make disciples
