

The missionary report of Igor Zhurba for the 4th quarter of 2024

I greet again my dear brothers and sisters in Jesus and Christ of the SGA Mission, as well as the brothers and sisters of the church in Canada “Peace Be With You”!

Thank you for your support, help, prayers and funds for my ministry. For the close cooperation with our church and the ministry of the Holy Spirit, which is being done through you here in Ukraine.

Dear brothers and sisters, I want to tell you about the work that the Lord has done in my life and ministry so far. In September, we held a Thanksgiving holiday (Harvest holiday) in the churches of the region, in the villages of Shurine, Nechayan and Kalabatine. Every month we hold a service for ministers. We delivered humanitarian aid (clothes) to churches and distributed it among the church members and non-believers.

We also celebrated the Harvest holiday in the newly built church in the village of Velyka Korenikha. This was the first service in the new building. There were many children and adults. This church needs special attention and prayers.

Dear brothers and sisters, thank you from the bottom of my heart for supporting my family and my ministry. Thank you for praying for my son Sergei, who is defending our Ukraine.

May our Lord Jesus Christ bless you all and make what you have sown grow!

Prayer requests:

- For the health of my youngest daughter Yulia, she is undergoing cancer treatment in Canada.

- For the purchase of chairs for the newly established church in the village of Velyka Korenikha.

We hug everyone! With love and respect, brothers and sisters of our region and your brother Igor Zhurba.
