

The missionary report of Igor Zhurba for the 1st quarter of 2024

Greetings from Ukraine!

Dear brothers and sisters in Jesus Christ. I am again happy to greet you with the greeting of our Savior "Peace be with you". Thank you that the Lord gives such an opportunity and desire to address all of you. Together, we can carry out God's plan and work, both in Ukraine and in Canada.

The time since the last letter has been full of various events, many prayers and work. We are continuing the construction of a House of Prayer in the village of Velika Korenikha. The building already has walls, windows and a roof. I and all the brothers and sisters in our region sincerely thank the brothers and sisters of the church in Canada, especially Peter and Gwaine Cullen for their help. Thanks to this support, we were able to purchase the windows. This is a very big help for us. May the Lord bless you all!

Unfortunately, the war is still going on in Ukraine. Many people were left without homes, and many more of them partially destroyed. Its winter in the yard, and there is no heat. The forest and plantations are mined, and in many villages, there are no firewood for heating. The gas system is destroyed. Even so, God has given the opportunity and desire to help people with firewood, clothes, and electrical equipment. The Lord also blessed us with a warm winter. We brought firewood to the villages of Kysylivka, Ivanivka and Hryhorivka. The people are returning to the villages, so we want to provide them with warmth. We are planning to create 1-2 teams of builders to help people rebuild the destroyed houses, roofs, installing the windows, and doors.

Please support us with your prayers, we really need it.

- pray that the Lord blesses the construction of the House of Prayer.
- for the construction crews.
- for my son Sergei, he is at war again.
- my ministry and family.

We love you! We thank you. Hi, Bill Baal and Judy, Peter and Gwaine, Phil and Diane.

Sincerely, Igor Zhurba
